

DELFIN I

3 Night

Day one

AM: Arrive to the Amazon city of Iquitos: Our crew will be expecting your arrival at the airport, then transfer all together by our comfortable private vehicle.

We will start you off with a lunchbox as we begin a panoramic tour of Iquitos city.

After the tour we will travel over paved road to the city of Nauta, 95 kilometers away. Nauta is literally the "end of the road" where you will embark on the Delfin. Along the way, you will see vibrant "terra firma" (non-flooded forest) and various aspects of daily jungle life.

Arrive to Nauta port: Nauta is a small riverside town on the banks of the Marañón River and was the first city founded in the department of Loreto. Once we reach Nauta, you will enjoy a VIP greeting at our private port along the shores of the Marañón River where the vessel awaits you.

PM: Embarkation: Aboard Delfin, you will be served by our qualified staff who will introduce you to your exquisite and cozy suite, specially equipped with all the amenities for the experienced traveler as yourself. Orthopedic beds, pure cotton sheets, pillows of 100% pure natural latex, cotton bathrobes, air conditioning, and private bathroom with Spanish style hot water showers are all framed with a spacious private terrace we are sure you will enjoy to the fullest.

Happy Hour and orientation: While the Delfin begins its initial navigation, you will enjoy the most fantastic panoramic views from the elegantly outfitted observation area located on our third deck. Our bartender will be waiting to serve you with an exotic cocktail made with regional fruits and pisco, the beloved national brandy liquor of Peru. Then, your naturalist guide will give you an overview of your journey's schedule, activities, route, highlights, wildlife and vegetation to keep your eye out for, geographical and historical background, and other useful details.

The third deck features an entertainment center which offers use for film presentations, as well as extensive literature about the area (fauna, flora, etc.) There is also a completely equipped bar so you can test any combination of regional and international liquors and aromas that the bartender will be happy to provide for you to enjoy under the spell of the beautiful Amazonian afternoons and night, and the sweet breeze of the rainforest. Moreover, should you have any doubts or questions, our guides are always fully at your service.

Our vessels all have an open bridge policy, so you are welcome to learn about the navigation systems and spend time with the driving captain at any time. Moreover, should you have any doubts or questions, our guides are always fully at your service. After dinner we invite you to the third deck where you can enjoy stargazing while we cruise in to the depths of the Amazon Rainforest.

PM Pauhuachiro: Our first excursion will be done by skiff where we visit our first location populated by sloths, iguanas, and recently a new favorite location for anteaters. Birdwatchers are likely to check off their bucket list, the yellow-rumped caciques and the very elegant egrets.

Day two

AM: Fundo Casual: This morning, we recommend getting up early to appreciate the wildlife. Early rising is always rewarding since animals are most abundant and active with the rising of the sun. This is one of the most important zones of the Pacaya Samiria National Reserve. The walk at Fundo Casual jungle trail will take you deep into the rainforest on terra firme (non-flooded forest) where your guide will point out the dynamic creatures and vegetation of the Amazon. Be sure to keep an attentive eye open for identifying surprises!

PM: Yanayacu Pucate: In the afternoon, you will start cruising through the Yanayacu and Pucate Rivers, peering into different creeks and lagoons. This is one of the best preserved and protected zones of the Pacaya Samiria National Reserve. Your guide will use his expert eye to pinpoint all the biodiversity of this region. You will even have the opportunity to swim in the jungle river along with the famous pink dolphins!

Day three

AM: Amazon Park: Begin your morning with an adventurous journey to visit a private reserve complete with 8 hanging bridges high up in the rainforest canopy. To get there, you will walk through primary forest and paddle slowly through tranquil Tahuampa Lake, a black water lagoon with giant arapaima fishes (known locally as paiche) and with luck, you might hear them jumping up to breathe the crisp dawn air. The suspension bridges will give you a peek into the life and riches up in the treetops for many of the Amazon's animals. A symphony of sounds will surely enchant your ears.

PM: Nauta Caño Creek: In the afternoon, continue exploring Nauta Caño Creek and its various delights via skiff. Your guide will point out animals such as the slow moving sloths, various bird species, and perhaps even squealing monkeys! If you wish, you can also kayak through the calm waters this afternoon, skimming the riverbanks on your own to play your own game of "I spy". As night approaches, your guide will take you on a night safari in search of caiman alligators and night birds.

Day four

AM: San Francisco: On board skiffs, you will visit the community of San Francisco to meet local villagers who have called Amazonia their home for generations. You may step into a typical schoolhouse where the children will be very happy to have visitors. Then stop by an area to see the women of this community and their amazing arts and crafts market.

We return to our vessel to continue our sailing downstream to the final destination, passing by Yacapana Island. Here we can see the confluence of the Ucayali and Marañon, birthplace of the Amazon River

Disembarkation: With heavy hearts, the staff will wish you farewell as you begin your departure. At the port of Nauta, our ground crew will be waiting to take you by our private vehicle back to the city of Iquitos, about 95 kilometers journey by paved road.

The Rescue & Rehabilitation Center of River Mammals (ACOBIA): On our way from Nauta back to Iquitos airport, you will visit the Rescue & Rehabilitation Center of River Mammals (ACOBIA) where you will have the chance to meet baby manatees and learn about these wonderful and docile creatures and why they are on the endangered species list. You will also have the

chance to pet and feed these kind manatees. As well, there are also some other animals cared for by the center that have been rescued from capture for the intention of being turned into pets and other threatening conditions. We welcome you to donate to this ambitious organization and education center as you wish. Our land personnel will wait for you at the airport and give your boarding passes and help you check in.

Airport departure: Our staff will be on hand to help you with your luggage and check in at Crnl. FAP Francisco Secada Vignetta International Airport in Iquitos. The return flight will take you directly to the city of Lima, the capital of Peru. At the security gate, your guide and Delfin crew will say goodbye. We truly hope that you enjoyed your stay and Amazon travel experience with us!

Notes

Nature walks & explorations: Due to the conditions of the wet and humid rainforest, the Delfin outfits you with waterproof rubber boot rentals (included) for your comfort and convenience. Before each outing, the boots will be provided for you; after each outing, they will be returned to the staff for cleaning. We also provide the use of rain ponchos.

Kayaking: Please check with your naturalist guide about the day's weather conditions for the use of kayaks. With the water level and weather forecast permitting, you are welcome to register, at your discretion, for the kayak sessions. These sessions will be conducted in calm waters where you can paddle in a very relaxed manner. Our kayaks are ideal for 2 passengers each. The kayaking group will always be accompanied by an experienced naturalist guide for the entire duration.

Fishing: Our fishing policy is in the form of catch and release.

Community visits: It is possible to create very intimate experiences with the local native community people. For example, there are many young children and families in communities who have various needs in the absence of their own resources, so any help will be very useful. Kids love shirts (T-shirts), pencils, notebooks, and toys. Candies to distribute among them are also great sources of joy.

Recommendations

Itinerary: The itineraries are subject to change due to weather conditions at certain times of the year. The water levels of the rivers also vary from time to time, as well as the hours of sailing. Excursions may be modified at the discretion of the Delfin crew.

Weather: The weather in Iquitos is warm and humid and the temperature varies between 33 °C (90 °F) and 21 °C (70 °F).

- The rainy (high water) season is from November to May.
- The dry (low water) season is from June to October.
- Each season boasts dramatic difference in plants, animals, and weather.

Clothing: light and fresh pieces, blouses, long-sleeved shirts, swimwear, shoes with soft rubber sole for the boat (rubber boots and rain ponchos are provided by us), cardigan or long-sleeved shirts, wind resistant jackets. The days are hot and humid while the night breeze is fresh.

Insects & Mosquitoes: We recommend taking Vitamin B or B-15 a few days before arrival to the jungle. These vitamins are the best natural repellent against insect bites. As well, do not forget to bring conventional repellent and cream for bites.

Other items: We suggest bringing sunscreen, a hat, sunglasses, binoculars (very important for enjoying the fauna and flora. Preferably 1 per person), camera, and extra batteries.

Connectivity: There is no WiFi Internet or phone signal coverage on our vessels.

Tips: Tips for both the crew and the guides are not included and are expected, as is customary on cruises around the world. The amounts are distributed equally between your entire vessel's crew, and we hope their service is valuable and insightful to your experience aboard Delfin. From past experience an average of US\$ 120.00 per passenger is suggested, and envelopes will be provided in your room.
