

Konichiwa amigos,

I hope you are having a good week!

I just returned from a very relaxing and fun holiday to Japan with my family and I have come back full of energy and new ideas ;) I thought I would share a pic with you just for a laugh!

On a more serious note, I am travelling to Melbourne in early June so if you want to meet with me or train your new sales staff, please drop me a line and we can organise it.

Further, in this edition of my newsletter, you will find out about last-minute promotions from Mountain Lodges of Peru & Delfin Amazon Cruises. Now that the Australian traveller is booking their trips with a shorter lead time, it might be a good idea to mention these last-minute promotions to them.

Have a great week and hopefully see you soon!

Sayonara, Bec x

RAINFOREST EXPEDITIONS

A la carte success

Due to the success of Rainforest Expeditions' A la carte activity program, **all reservations at Refugio Amazonas Lodge will be A la carte from January 2019 onwards**. This is in response to 88% of guests upgrading to the A la carte program upon arrival.

There is also some very exciting news from Posada Amazonas Lodge. The Native Community of Infierno and Rainforest Expeditions will be renewing their strategic alliance for another 11 years! The award-winning joint venture, which sees the community own and co-manage Posada Amazonas Lodge, is one of the most successful partnerships between communities and tourism companies in the world.
